GROW YOUR COMPUTER SKILLSET WITH

DIGITAL LITERACY TRAINING

The Upper Albany Economic Development (UAED) program helps small business owners in Upper Albany close the digital divide, strengthen business operations, and build essential technology skills. Through hands-on, in-person training with certified instructors, participants develop practical digital skills and learn to use technology more effectively to support business growth and long-term success.

JOIN US FOR COHORT 5:

- Three levels (computer basics, software & hardware)
- Learn from certified instructors at your own pace
- Gain confidence in the computer skills needed to run a business and become a successful entrepreneur.
